

What is Tús?

The Tús initiative is a community work placement scheme providing short term working opportunities for unemployed people since 2011.

The work opportunities benefit the community and are provided by community and voluntary organisations in both urban and rural areas.

The Tús initiative is managed by Local Development Companies and Udaras na Gaeltachta for the Department of Social Protection, which has overall responsibility for the scheme. The Little Jobs Services is an initiative of the Tús Programme in Wexford.

IMPORTANT SECURITY INFORMATION:

All Little Jobs Service staff will carry photographic identification and will only arrive by appointment. Our handymen are all Garda vetted and fully Insured.
