Supporting young people with disabilities reach their potential

How We Can Help You

If you are unemployed, want to upskill or retrain for work we provide free, flexible, learner-centered training courses:

- Courses include: QQI accredited modules; ECDL; Workplace Essentials including Manual Handling and Safe Pass; Non accredited courses including Driver Theory Preparation, Basic IT and Job Seeking Skills
- Dedicated programmes for early school leavers to assist them to find work
- The Cornmarket project enables offenders and substance misusers to move back into a stable and productive lifestyle. Contact Cornmarket Confidential on 053-9155817

If you are a parent:

- Initiatives to help you to support your child in education
- Help with supporting your child to stay in school and fulfil their potential

How We Can Help You

Are you Unemployed and Looking for Work?

- The Local Employment Service (LES) provides a free one-to-one employment guidance service. Jobseekers can avail of guidance, job seeking support, CV preparation, interview skills and referral to training and education programmes. Contact us to make an individual appointment
- Young job seekers can access dedicated training and work placement programmes and avail of career advice and guidance
- The Tús Programme can provide community based work placement opportunities for 12 months
- The Ability Programme can help young people with disabilities improve their employment possibilities
