

**Community Fund for Men's Groups / Projects 2014**

**GUIDELINES**

The Community Fund is designed to support the participation of men in community activities which provide opportunities for social interaction and contribute towards good physical and mental health.

The Fund is for small and simple one off projects requesting €400 or less and taking 6 months or less to complete.

Groups will be expected to provide evidence of how monies were expended ie. original invoices, receipts etc. and a short written report with photos if appropriate upon completion of the project.

Successful applicants will be reimbursed following expenditure or alternatively the Fund will pay suppliers of goods or services directly on foot of details supplied.

*This form must be fully completed in BLOCK LETTERS.*

**Closing date for receipt of applications Monday 31<sup>st</sup> March 2014**

**Funding Criteria**

To be considered for funding, a group or project must demonstrate it is building a stronger and healthier community. It must:

- ⇒ Provide a benefit, resulting in a project or activity that benefits a geographic community and/or promotes social equality.
- ⇒ Emphasise self-help, i.e. community members doing for themselves, in partnership with each other.
- ⇒ Involve members of the community in planning and implementation of the project.

All applicant groups must have an open membership and actively invite involvement from new members. Awards are not made to individuals.

In considering funding applications priority will be given to those applicants which demonstrate that they are engaging or attempting to engage young men ( 18-25 years ) in the project/ group activities.
