

Please outline the structures that your group has in place/would put in place to supervise and support the RSS worker with the proposed project?

Would your group be in a position to provide training to the RSS worker to carry out their work?

With reference to the project/work outlined does your group have access to funding or resources from any other sources for this project? If yes, please provide details:

Does your group have participants from the following schemes?

Scheme	No. of Participants
FAS/C.E. Community Employment	
TÚS Programme	
Community Services Programme	
Jobs Initiative	
Other (please specify)	

Any additional comments:

I, the undersigned, agree to work with Wexford Local Development, in supporting the Rural Social Scheme. I accept that Wexford Local Development is responsible for the overall management of the Scheme. Any changes required by either party will be discussed and agreed by all involved.

I agree to provide 19½ hours work per week for the participant and undertake to oversee same. Participants may be required to work in other locations from time to time as outlined in their contracts. I further agree to sign participant timesheets on a weekly basis.

The following documentation **must** be submitted prior to commencement of RSS worker:

1. Memorandum & Articles of Association or Constitution of group
2. Insurance Policy of group
3. Confirmation that the group is a member of the Community Forum
