**Co. Wexford People**

This event will showcase how the work of Wexford Local Development over the last three years has supported 33,623 individuals, communities and enterprises in Co. Wexford to improve the quality of their lives.

The event will include a range of exhibitors and there will be lots of information available on the day including; CV advice clinic, food tastings, energy saving information, enterprise start up guidance, advice on drug and alcohol addiction and supports for community project planning.

The reform of local government will bring major changes for you and your community. This is an opportunity to come along and have your say about the challenges that lie ahead.
