Tús Programme

The Tús initiative is a community work placement scheme providing short-term work placements for unemployed people. The work opportunities benefit the community and are provided by community and voluntary organisations in both urban and rural areas.

Any local community or voluntary group who may be interested in providing a participant with a one year work placement opportunity can submit an application to WLD. The organisation must provide the participant with meaningful employment which will also benefit the community. Organisations interested in providing Tús work placement opportunities should register with Wexford Local Development using an application form. For further information and an application form:

Rural Social Scheme (RSS)

The Rural Social Scheme provides income support for farmers and fisherpersons who are in receipt of certain payments from the Department of Social Protection. The other key aim is to provide certain services of benefit to rural communities by harnessing the skills and talents of Rural Social Scheme Participants. Wexford Local Development has 39 Rural Social Scheme participants undertaking a broad range of community based work in the county.

Wexford Local Development is currently updating their waiting list for participants to join the Rural Social Scheme. If you are a Farmer, hold an active herd number and you receive a specific Social Welfare Payment you may be eligible to gain employment on our Scheme. For further information and an expression of interest form.
