New Youth Network

Are you aged between 18 and 25? Are you or have you recently been unemployed?

Co. Wexford has the third highest rate of youth unemployment in Ireland. Young people need to have their say on this. WLD is running a series of ten workshops commencing Tuesday 24th of September in Enniscorthy for young people from across the county.

You will be part of a new network which will advocate for a better future for young people in Wexford and learn how to make your voices heard to decision makers and through the media.

Places are limited so please contact **Siobhán O'Brien at 053 9155800 or sobrien@wld.ie** to find out how to get involved.
