Workshop Feedback

Closing Comments

Brian Kehoe, CEO, Wexford Local Development

1.30pm – Join us for a Networking Lunch in the Skyview Cafe

Wexford Local Development has adopted sustainable design principles for this event. We have swapped printed material for digital means of communication and have drastically reduced the use of paper. The caterers are using reusable tableware and we invite attendees to enjoy a vegan lunch comprising, where possible, locally produced produce. All follow-up materials will be made available digitally on www.wld.ie
