

## **LEADER Rural Development Programme 2014-2020 Call for “Expressions of Interest” for €100,000 Community Grant Aid in the Gorey/Kilmuckridge Municipal District**

Wexford Local Development (WLD) is now seeking “Expressions of Interest” from applicants in the Gorey/Kilmuckridge Municipal District wishing to undertake analysis & development to enhance or develop community centres. The following projects would be eligible; community consultations, feasibility studies and development plans.

Applicants must complete a two stage application process:

- Stage 1: Complete and submit an “Expression of Interest” form, which will be determined if the proposal meets the objectives of the Wexford Local Development Strategy and complies with the LEADER Programme Operating Rules.
- Stage 2: Applicants that are successful at Stage 1 will be invited to submit a full application with detailed costings, community development plan and associated documentation as required. Invitation to application stage does not mean that you will be awarded grant aid as it is a competitive process.

Please Note: While the maximum eligible grant aid to any individual project is €30,000, given the competitive application process, it is likely that the maximum grant aid given to any project will be less than this amount.

**Deadline for receipt of completed, signed and dated EOI forms is 12 noon, Friday 24<sup>th</sup> January 2020.**
